

HARO

AUSTRALIA

4000 SERIES · ENGINEERED OAK FLOORING

Engineered Timber.

The HARO 4000 Series — premium German-made engineered oak, selected for Australia. Three formats, one standard of craftsmanship.

2024-25 COLLECTION

THE 4000 SERIES

Not all timber floors are the same.

Every HARO board begins in the sustainably managed forests of Europe and is made by Hamberger Flooring in Rosenheim, Germany – a family company, now in its fifth generation, and Germany's leading parquet manufacturer for over 150 years.

The 4000 Series is HARO's flagship engineered range: a full 3.5 mm European oak wear layer over a solid spruce fingerstrip core, finished in naturaDur natural matt – the look and feel of oiled timber with the protection of a pre-finished surface.

It can be sanded and refinished several times, carries a 30-year residential warranty, and is certified by PEFC and the Blue Angel – the world's first environmental label.

Checked for Australian conditions by our local team – UV-stable finishes, movement behaviour across humidity swings from Brisbane to Hobart, underfloor-heating compatibility, and radiant-flux fire data for Australian specification.

THE SYSTEM

Real oak. Engineered to behave.

01 SURFACE – NATURADUR / NATURALIN PLUS

Most designs carry naturaDur natural matt – protection without an oiling regime. Selected designs are finished in naturaLin plus natural oil; each design's data sheet states its finish.

02 TOP LAYER – 3.5 MM EUROPEAN OAK

A full 3.5 mm precious-wood wear layer (EN 13647), brushed for texture. Sandable several times over the floor's life.

03 MIDDLE LAYER – SOLID SPRUCE FINGERSTRIPS

Labour-intensive to manufacture, and the reason a HARO board stays flat and stable for life.

04 BACKING – SOFTWOOD VENEER

A stabilising counter-veneer that further increases dimensional stability. Optional Silent Pro® acoustic layer or ComforTec.

05 JOINT – TOP CONNECT®

HARO's patented glueless locking system: angle-in on the long side, Top Connect 5G on the short side. Floating or fully bonded installation.

06 THREE FORMATS

Plank 1-Strip 180 mm · Plaza 240 mm extra-wide · classic 3-strip Longstrip – one oak, three expressions.

THE COLLECTION

Plank 1-Strip — 180 mm.

African Oak

PLANK 1-STRIP · 180 MM · NATURALIN PLUS OIL

Rich, russet warmth with a distinctive interlocking grain. A floor of genuine presence, for rooms that make a statement.

Fumed Oak

PLANK 1-STRIP · 180 MM · NATURADUR

Fuming deepens the oak's natural tannins to a warm, smoke-brown core. Timeless depth that flatters both heritage and modern rooms.

Fumed Oak Puro White

PLANK 1-STRIP · 180 MM · NATURADUR

Smoked depth softened under a pure white overlay. Quietly dramatic — grey-brown grain glowing through a chalky veil.

Oak Carbon Black

PLANK 1-STRIP · 180 MM · OLEOVERA OIL

Near-black oak with charcoal depth and a selective grade. For bold, gallery-like interiors with strong contrasts.

Plank 1-Strip — continued.

Oak Invisible

PLANK 1-STRIP · 180 MM · NATURADUR

Looks and feels freshly sanded — as if untreated. The invisible finish keeps raw oak's pale, matte authenticity, fully protected.

Oak Light White

PLANK 1-STRIP · 180 MM · NATURADUR

A soft, Scandinavian light white. Calm, airy and forgiving of dust and daily life — a natural fit for coastal Australian light.

Oak Markant

PLANK 1-STRIP · 180 MM · NATURADUR

The honest, lively face of European oak — knots, mineral streaks and movement. Natural character, evenly balanced.

Oak Reed Brown

PLANK 1-STRIP · 180 MM · NATURALIN PLUS OIL

A warm reed brown with gentle movement. Earthy and grounding, it pairs naturally with stone, linen and brass.

THE COLLECTION

Plank 1-Strip — continued.

Oak Sand Grey

PLANK 1-STRIP · 180 MM · NATURADUR

A sandy, sun-softened grey with warmth beneath it.
Relaxed and coastal without ever feeling cold.

Oak Sauvage

PLANK 1-STRIP · 180 MM · NATURADUR

The most expressive grade — knots, cracks and wild
grain, celebrated rather than concealed. A floor with a
life story.

Oak Shell Grey

PLANK 1-STRIP · 180 MM · NATURALIN PLUS OIL

A cool, refined shell grey with an even appearance.
Understated sophistication for contemporary interiors.

Oak Tobacco Grey

PLANK 1-STRIP · 180 MM · NATURADUR

Smoky grey-brown with real depth — the colour of aged
leather and dark tea. Sophisticated and enveloping.

THE COLLECTION

Plank 1-Strip — continued.

Amber Oak

PLANK 1-STRIP · 180 MM · NATURADUR

HARO's classic smoke-toned oak, now named Amber Oak. Deep, enduring warmth — tradition in one room, drama in the next.

Swatches are official HARO decor imagery. Article-specific data sheets for every design at haroflooring.com.au — confirm colour with physical samples.

HARO FLOORING AUSTRALIA

4000 SERIES — ENGINEERED TIMBER

THE COLLECTION

Plaza — 240 mm extra-wide.

Fumed Oak

PLAZA · 240 MM EXTRA-WIDE · NATURALIN PLUS OIL

Smoke-toned oak across a 240 mm board. The extra width lets the fumed grain unfold at full scale.

Fumed Oak Invisible

PLAZA · 240 MM EXTRA-WIDE · NATURALIN PLUS OIL

Fumed depth beneath an invisible, untreated-look finish. Raw, architectural and generous in width.

Oak Light White

PLAZA · 240 MM EXTRA-WIDE · NATURADUR

Light white at its most expansive. Wide boards stretch small rooms and calm large ones.

Oak Tobacco Grey

PLAZA · 240 MM EXTRA-WIDE · NATURALIN PLUS OIL

Grey-brown depth on the widest format. Fewer joints, more grain — a floor that reads as one surface.

THE COLLECTION

Plaza — continued.

Oak Universal

PLAZA · 240 MM EXTRA-WIDE · NATURADUR

Balanced natural oak with an even, lively grade. The definitive wide-board oak floor.

Amber Oak

PLAZA · 240 MM EXTRA-WIDE · NATURADUR

Deep smoke-toned amber with commanding scale. Made for generous, light-filled Australian living areas.

Swatches are official HARO decor imagery. Article-specific data sheets for every design at haroflooring.com.au — confirm colour with physical samples.

THE COLLECTION

Longstrip — the classic 3-strip.

Oak Light White

LONGSTRIP · 3-STRIP · NATURADUR

Light white in the classic three-strip pattern. Fine-scaled, luminous and quietly traditional.

Oak Naturale

LONGSTRIP · 3-STRIP · NATURADUR

Even, calm, natural oak — the timeless longstrip that has anchored European interiors for generations.

Oak Tobacco Grey

LONGSTRIP · 3-STRIP · NATURADUR

Grey-brown depth in a fine-scaled format. Traditional pattern, contemporary tone.

Amber Oak

LONGSTRIP · 3-STRIP · NATURADUR

Warm, smoke-toned amber oak in the traditional pattern — rich, familiar and enduring.

Swatches are official HARO decor imagery. Article-specific data sheets for every design at haroflooring.com.au — confirm colour with physical samples.

TECHNICAL DATA

The detail beneath the beauty.

COLLECTION	HARO PARQUET 4000 Series (EN 13489)
FORMATS	Plank 1-Strip 13.5/3.5 × 180 × 2200 mm · Plaza 13.5/3.5 × 240 × 2200 mm · Longstrip (3-strip) 13.5/3.5 × 180 × 2200 mm
TOP LAYER	3.5 mm precious-wood wear layer (EN 13647) — sandable several times
CONSTRUCTION	3-layer: oak top layer · solid spruce fingerstrip core · softwood backing veneer
SURFACE FINISH	naturaDur natural matt or naturaLin plus natural oil, by design · brushed · bevelled edges
INSTALLATION SYSTEM	Angle-in long side · Top Connect® 5G short side — floating or fully bonded
MOISTURE BEHAVIOUR	Delivery humidity 5–9% · equilibrium 8.0% at 23°C / 50% RH (EN 13183-1)
UNDERFLOOR HEATING	Thermal resistance 0.113 m ² K/W (well under the 0.15 limit) — bonded installation recommended
FIRE & SLIP	C _{fl} -s1 (EN 13501-1) · slip R9/R10 (EN 13893) · Australian radiant-flux reports (ASTM E648) available
EMISSIONS & HEALTH	Formaldehyde ≤ 0.05 ppm (EN 717-1) · VOC ≤ 300 ppm (AgBB / Blue Angel) · plasticiser-free
WEAR RESISTANCE	Castor-chair tested > 25,000 cycles (EN ISO 4918) · bond strength ≥ D3 (EN 204)
CERTIFICATION	100% PEFC · Blue Angel · CE · Made in Germany
WARRANTY	Residential — 30 years (layer structure & top-layer lamination) · commercial warranty terms available

Values per Hamberger Flooring data sheet TDB 170 (HARO PARQUET 4000, 13.5 mm) and HARO warranty terms. Article-specific sheets, DoPs, EPDs and Australian fire test reports at haroflooring.com.au.
